Brewery Ommegang Celebrates 10th Anniversary with Waffles, Puppets, and Chocolate Stout.

On Saturday, October 13, Brewery Ommegang is introducing the new Belgian Chocolate Indulgence Stout, and celebrating as fall colors frame a 10th Anniversary Party, also known as the Waffles and Puppets Festival.

Hours are from noon until 6 pm. Admission, tours and tastings are free.

The Puppet People perform *The Legend of Sleepy Hollow*; lively old-timey music and bluegrass is played by *Down the Road Band*; and HaSu Ranch bring their charming Alpacas, including babies -- for show, tell, and touch.

Food includes fresh-baked Belgian waffles, mussels and frites, Belgian beef stew and vegetarian stew, fine local cheeses, and fresh-pressed apple cider.

This year's celebration includes the first appearance of 2007 cave-aged Three Philosophers Ale, just brought up from Howe Caverns. It'll be available for sampling and sale.

Admission to Waffles and Puppets is free and includes all entertainment, tours, and tastings. All food and Ommegang beers are for sale at reasonable rates. The gift shop has specials on all of the ales, including cave-aged Three Philosophers. This is a family-oriented event, so by all means bring the kids.
