

WINE BARREL THREE PHILOSOPHERS

A BLEND OF QUADRUPEL and BELGIAN KRIEK AGED in RED WINE BARRELS

THE SERIES

Three Philosophers, our iconic blend of quadrupel and Belgian kriel, is a tour de force whose malty depth and gentle sweetness are the perfect companions for deep contemplation. In 2019, reach new realms of rumination with three limited releases of this iconic beer, each canned in 16oz pints. Searching for the meaning of life? Even if you don't quite get there, these beers are sure to sweeten the journey.

TASTING NOTES

Wine Barrel Three Philosophers pours a dark cherry-chestnut with a smooth, tan head. Aromas of roasted malt, dark fruit, molasses and oak accompany robust flavors of currants, figs, and chocolate. A big, full mouthfeel is enriched by a firm tannic structure that finishes moderately dry.

FOOD PAIRINGS

Wine Barrel Three Philosophers will enhance charcuterie, and enrich aged cheeses. It beautifully accents dark meats and is a decadent complement for dark chocolate.
