

## IDYLL DAYS PILSNER

### UNFILTERED BELGIAN-STYLE LAGER

#### THE BEER

Inspired by the tradition and ambience of the pastoral world around us, *Idyll Days* is a beautifully rustic Belgian-style pilsner. This time-honored creation is brewed with authentic floor-malted barley from the Czech Republic, fermented with a Belgian lager yeast, then patiently cellared until mature. Presented in its essential, unfiltered form, *Idyll Days* is glorious in its simplicity.

#### TASTING NOTES

The beer pours a hazy pale straw hue with a brilliant white head. Czech Saaz hops lend delicate, floral aromas, enhanced by sweet notes of fresh grain. Traditional floor-malted barley sets this beer apart, imparting distinctive earthy flavors of biscuit and subtle honey, framed by a round and quaffable malt body. With mild yeast flavor, *Idyll Days Pilsner* finishes clean and easy.

#### FOOD PAIRINGS

Pair with rustic country fare like rotisserie chicken, grilled root vegetables, or hot buttered biscuits. Hard, aged sheep and cow's milk cheeses like manchego and clothbound cheddar will perfectly complement this beer's gently sweet, quenching maltiness.
